Mini Calendar

Web Part Features Version:1.0.0.0

SharePoint Engine Mini Calendar Web Part provides the following features:

Mini Calendar (Default Skin)

Following **Screenshot** shows the Mini Calendar web part with **default** skin.

SharePoint Engine MiniCalendar

December 2010							
	S	M	T	W	T	F	S
49	28	29	30	1	2	3	4
50	5	6	7	8	9	10	11
51	12	13	14	15	16	17	18
52	19	20	21	22	23	24	25
1	26	27	28	29	30	31	1
2	2	3	4	5	6	7	8

Mini Calendar (Sunset Skin)

Following **Screenshot** shows the Mini Calendar web part with **Sunset** skin

Highlighted dates having list items (**tasks, announcements etc.**) fall under that date.

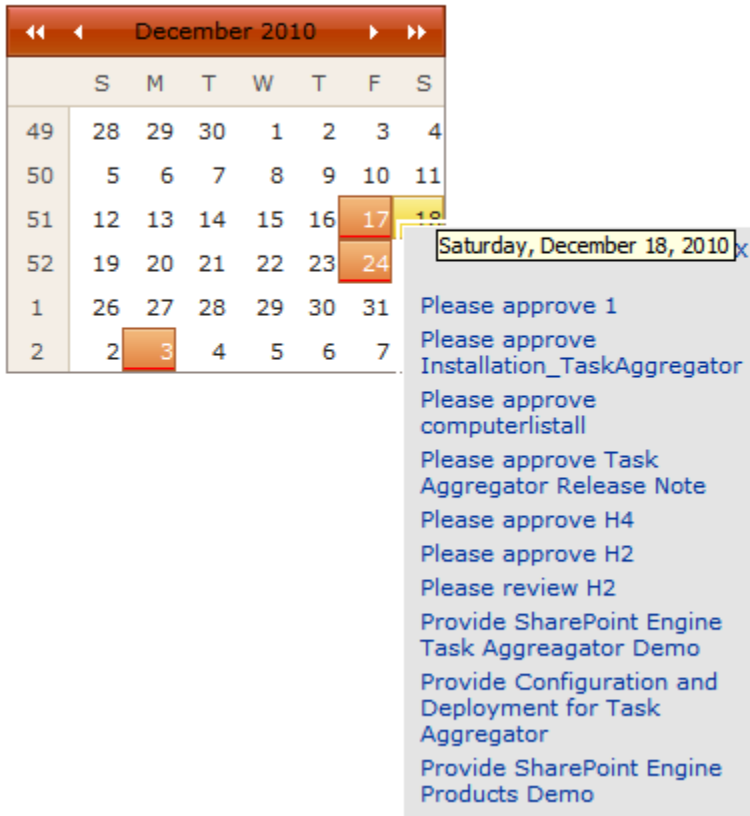

SharePoint Engine MiniCalendar

December 2010							
	S	M	T	W	T	F	S
49	28	29	30	1	2	3	4
50	5	6	7	8	9	10	11
51	12	13	14	15	16	17	18
52	19	20	21	22	23	24	25
1	26	27	28	29	30	31	1
2	2	3	4	5	6	7	8

View Item

To look at items which fall under a particular highlighted date, hover the mouse over that particular date and you will see that a panel pops up which lists all the list items. To look at the item details, click on the particular item's link and you will be redirected to the item details page for that item.

SharePoint Engine MiniCalendar

The image shows a mini-calendar for December 2010. The calendar grid has columns for days of the week (S, M, T, W, T, F, S) and rows for weeks. The date 18th is highlighted in yellow, and a dropdown menu is visible for that date. The dropdown menu lists several items:

- Please approve 1
- Please approve
- Installation_TaskAggregator
- Please approve computerlistall
- Please approve Task
- Aggregator Release Note
- Please approve H4
- Please approve H2
- Please review H2
- Provide SharePoint Engine Task Aggreagator Demo
- Provide Configuration and Deployment for Task Aggregator
- Provide SharePoint Engine Products Demo

Add New Item

For adding a new item to the currently configured list, click on any of the days and you will be redirected to the 'add new item' page for the current list (in case of list other than document library) or to 'upload new document' page (in case of document library type of list).

Navigation

- Navigation to the Next Month. Click on highlighted icon shown in **Fig 1.1 (a)** and it will display result as shown in **Fig 1.1(b)**.
